CAPTURES THREE RACES

Trio Must Be Chosen to Defend
Cup Against German
Challengers.

MARBLEHEAD, Mass., Aug. 16.—Under conditions similar to those that will govern the international contests with German boats the first of the American elimination trials were sailed here today under the auspices of the Eastern Yacht Club. There were three races, the first in light wind on a smooth sea, the next under moderate conditions, and the third in a stronger wind and rather rough sea, so that the little craft had to demonstrate their versatility as a type. Three yachts must be chosen to defend the trophy.

In order that there should be no unnecessary crowding the nine boats were divided into two divisions, which were sent away five minutes apart. The Ellen, a three-masted schooner owned by C. P. Curtis, won three races.

The first race was to windward and return, six miles in all. The wind was very light from the south-southwest. The Ellen got a big lead in her division, while on the wind and the Sprig led in the second division. The times over the full course in this race were:

First Division—Ellen, 1:39:07; Badger, 2:04:35; Tern, 2:09:11; Chicago, 2:08:49.
Second Division—Sprig, 2:01:52; Otter, 2:05:35; Harpoon, 2:09:59; Chance, 2:04:02; Dorina, 2:04:11.

The Ellen had outsailed the boats of both divisions and demonstrated her superiority in very light weather. The Sprig had made the next best time and the Otter the third best.

After a short rest the yachts were started again, this time in a wind blowing about ten miles an hour from south-southeast. The course selected was a triangle, two miles to each leg, with the first to windward. The sea was smooth and the racers made fast time to the weather mark, where the Ellen and Sprig again led in their respective divisions. The second leg was a reach and the third a run, when spinnakers were carried. The elapsed times were:

First Division—Ellen, 48:30; Tern, 48:43; Cima, 48:53; Badger, 51:29.

Second Division—Sprig, 47:58; Harpoon, 48:12; Otter, 48:23; Chance, 49:33; Dorina, 49:35.

The Sprig had made the best time and the Ellen was next, but the second division sailed in a better wind, which steadily grew stronger and favored the boats astern.

Then, after another short wait, they were sent off again, this time to windward, three miles and return. The wind was south by east, blowing about eleven miles an hour, and the sea was smooth. The Ellen was again in the lead, but the second division sailed in a better wind, which steadily grew stronger and favored the boats astern.

First Division—Ellen, 1:07:07; Tern, 1:07:31; Cima, 1:09:40; Badger, 1:11:45.
Second Division—Harpoon, 1:04:34; Sprig, 1:04:52; Otter, 1:09:59; Dorina, 1:10:45; Chance, 1:10:12.

HONEY BOY IS SET BACK.

Interference Causes Judges' Action
and Oakland Direct Junior Wins.

Charles Moncrief's black gelding Oakland Direct Junior won the class B trot yesterday in the weekly harness meet on the half mile track of the Parkway Driving Club when Honey Boy, Dr. Joseph Laidlaw's gray gelding, was set back for interference in the second heat.

Oakland Direct Junior won the first heat. In the second heat, when the horses were a few lengths past the judges' stand, Honey Boy suddenly went up to the front and kicked Moncrief's car, causing the left tire to explode. Honey Boy broke upon hearing the report and dropped back to fourth place. When he was caught Honey Boy speedily went up to the front and raced neck and neck with Oakland Direct Junior. The latter kept to his feet despite the tire, but was nosed out at the finish by Honey Boy.

King Audubon Direct Junior the heat and race. King Audubon finished second and Honey Boy got third money. Alameda Wilkes was fourth. The summaries:

WINS CHICAGO RIVER SWIM.

Perry McGilivray Beats Michael McDermott, Repeating 1910 Success.

CHICAGO, Aug. 16.—Perry McGilivray, member of the Illinois Athletic Club, repeated his success of 1910 this afternoon when he won the sixth annual Chicago River swim under the direction of his club. McGilivray's official time was 44 minutes and 34 seconds, while the second, Michael McDermott, took 49:37 flat.

McGilivray led all the way, starting from the big barge anchored off the street with the rest of the fifty-five starters. With a few powerful trudgeon strokes he swept into the lead, with Vought, also of the winning club, second, followed third and McDermott fourth.

All the leading swimmers finished in good condition. The wind was light and the water warm. Great crowds lined the docks and bridges as the swimmers passed and a large fleet of boats accompanied them. The prize which McGilivray won is the William Hale Thompson \$1,000 trophy.

Miss Pickhardt Leads First Five.
MANCHESTER, Vt., Aug. 16.—Miss Mildred Caverly of Philadelphia, allowing Miss Elm Pickhardt of New York three strokes, won the final round of the women's tournament at Ellsworth this morning by 5 up and 3 to play. Miss Caverly won the first five holes and the second seven from then on to the fifteenth. Mrs. T. Grossbeck of Cincinnati won out in the second division against Miss A. L. Stern of Rochester, by 6 up and 3 to play, having an allowance of fourteen strokes.

Mike Donlin Signs
With Jersey City

IT wasn't so very long ago that Mike Donlin was drawing \$5,000 a year for playing with the Giants. As he slowed up he was sent to the Boston Braves, then to the Pirates, who sold him to the Quakers. Mike never accepted his Philadelphia engagement and dropped out of fast company. The other day he was released outright by the Philadelphia club and yesterday he signed with the Jersey City club of the International League. Donlin will make his first appearance with the Skeeters in to-day's double header with Montreal in Jersey City. If Mike can hit Chance may take him later on.

RADEL HOLES PUTT OF
EIGHTEEN FEET TO WINSmith Takes Three to Get In
From Five Feet Away in
Deal Final.

DEAL, N. J., Aug. 16.—John J. Radel won the championship of the Deal Golf and Country Club today by defeating James T. Smith 1 up in a thirty-six hole final match. Although Radel took the first hole, Smith was 5 up by the time the turn was reached, and while Radel won the next four holes in succession, he was 1 down at the finish of the first round.

By the time the twenty-seventh was reached, however, Radel succeeded in squaring the match and they seasawed until the thirty-fifth. Radel sliced his drive on the last hole, but managed to get his fourth on the green eighteen feet from the cup. He holed the putt for a 5. Smith was within five feet of the pin on his third shot, but the gallery "fused" him and he moved the ball about eighteen inches. He needed two more to get down, which left Radel the winner. Radel holed putts of from eighteen to twenty feet on the last three greens.

There was a tie in the four ball handicap, in which the allowance of the low man counted. W. H. Yawger and Henry Allison with 75-8, 67, and J. F. Regan and J. A. Keen with 65-18, 67, were those involved. The first round of match play for the John F. Shanley memorial cup was also run off. The summary:

First Round—J. F. Turner beat E. V. Hartford 2 up and 3 to play; W. S. Albertson beat C. H. Hawley 5 up and 1 to play; C. P. Peck beat C. J. Lyons 1 up; H. A. Watson beat H. L. London 1 up; James S. Ludlow beat F. Appleby 2 up; Ray Thompson beat O. L. Gubelman 1 up; G. G. Scherer beat Joseph M. Wilson P. Fox 2 up and 1 to play.

Handicap—W. H. Yawger and Henry Allison, 75-8, 67; J. F. Regan and J. A. Keen, 65-18, 67; Robert W. Hill and George W. Nathan, 65-18, 67; Wilson P. Fox and J. H. Haggerty, 65-18, 67; Warren H. Snook and F. A. Crosselimer, 92-18, 73.

THESE PIRATES MAUL GIANTS.

Finish First in Columbia Summer
Season Pennant Race.

If the Pittsburgh Pirates enjoyed anything like the success that fell to their lot of the namesakes in the world's championship baseball series that has been played by the students in the Columbia University summer season during the last five weeks, they would be so involved that there would be no further interest in the struggle. The Columbia Pirates downed the three teams which they faced in the series for the championship at the end of the season with six victories and only two defeats to their credit.

The teams which the Pirates beat were the Cubs, Athletics and the Braves. The Pirates won only two games through the series and finished at the bottom with a percentage of .250. The Athletics were runners up to the Pirates, with five games won and three lost, and the Braves won three games and lost five.

The Giants beat only the Pirates and Cubs, while the Pirates were beaten only by the Giants and Athletics.

The teams were organized by the students in the department of physical education of the summer session after it would be impossible to organize a single team for the season. The students were given the necessity of having every player conform to the regular eligibility rules of the university. As these rules are made only for the students in the summer session, the need of students who were at the university only six weeks.

McCLURE HIT BY POLO BALL.
Stunned, Falls Off Horse, but His
Elbow Is Not Broken.

REN BANK, N. J., Aug. 16.—In the last period of a spirited polo match this afternoon on the Rumson Country Club grounds between the Rumson first and second teams Walter McClure, second baseman for Rumson, was painfully injured when struck hard on the right elbow with the ball knocked by Arthur Jones.

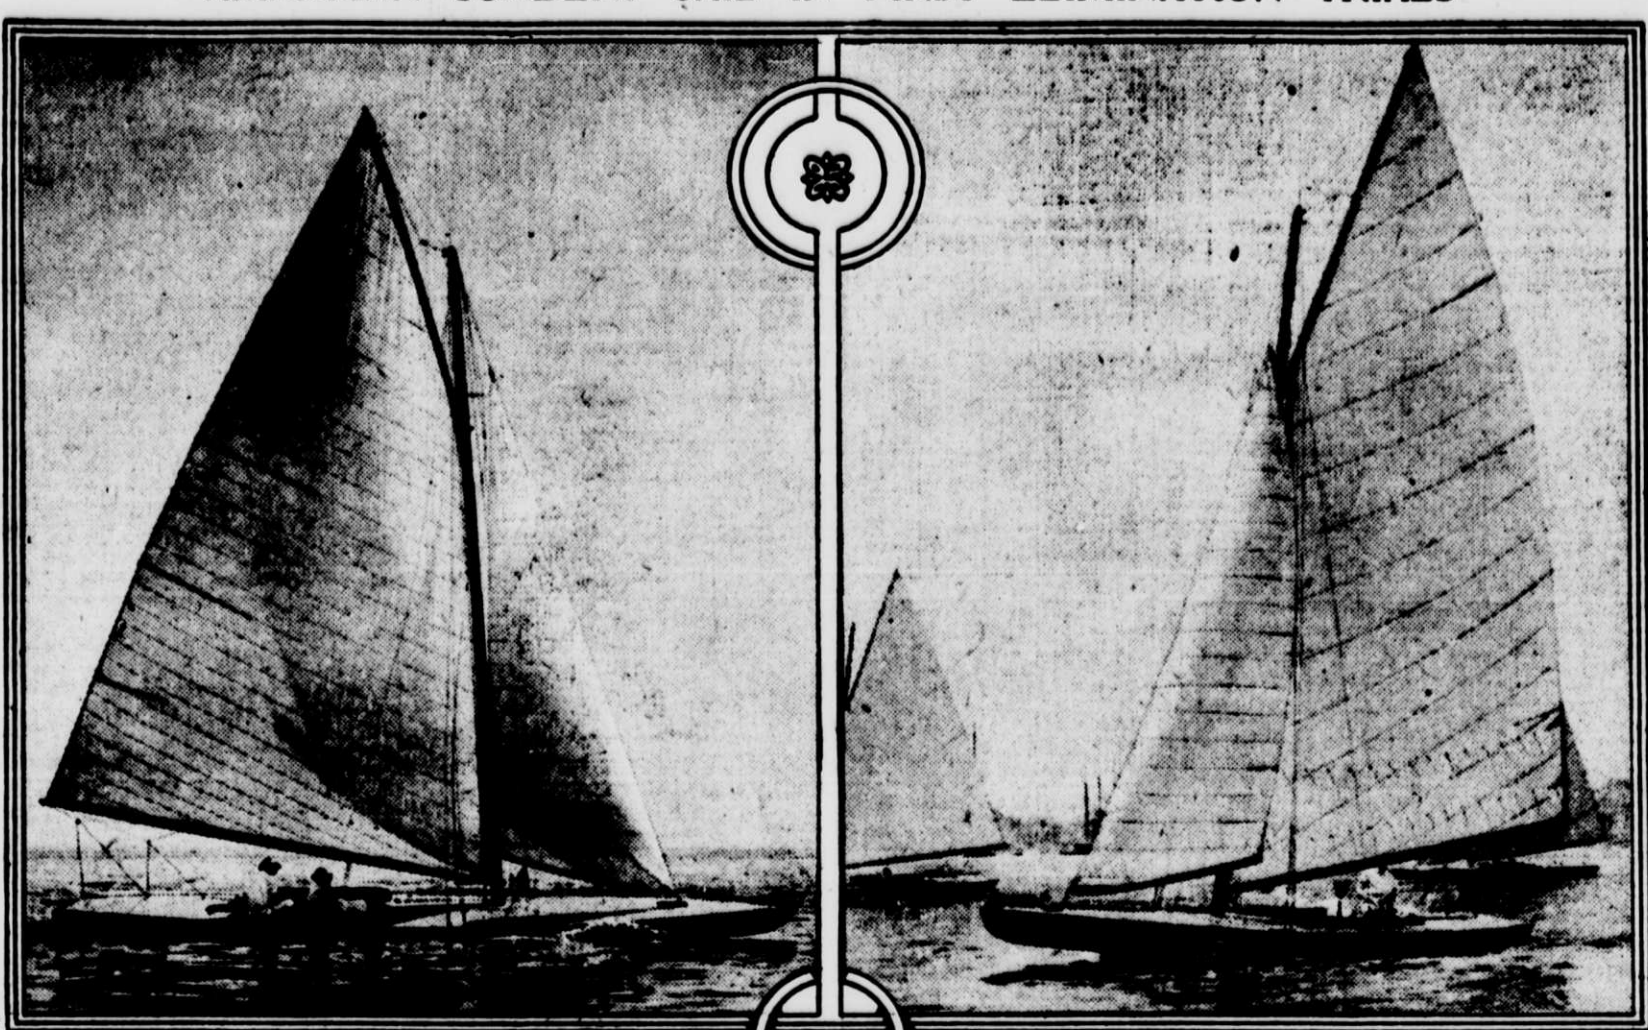

Stunned by the blow, he toppled off his horse, and Dr. Ward, one of the spectators, was called, but found that no bones had been broken.

In the fourth period as Howard S. Borden's pony was dashing down the field with the ball Borden's mallet broke and prevented a goal that likely would have won the game. The game ended a tie, 5 to 5. Borden scored four goals and strotter Jones three for Rumson while J. C. Waters made three and Walter McClure two goals for the Rumson second.

Reed Beat at Smith Club Traps.
NEWARK, Aug. 16.—J. Reed was the winner of three of the six events at the trap shooting meeting of the Smith Gun Club of Newark this afternoon. The events were all sweepstakes and the scores gave Reed a total of 62 breaks out of a possible 76, the best record of the day. W. H. Hanning, former State amateur champion of New Jersey, won two of the sweepstakes at twenty-five targets with a score of 22 in one case and 19 in the other with an 18. J. Murphy won the remaining shoot with 19.

Little Rock Fleet at Oyster Bay.

ALL SQUARE FIRST ROUND

Four Birdies by Loser Help to
Make Early Play Long to
Be Remembered.

SCHENECTADY, Aug. 16.—Jerome D. Travers, national champion, was kept busy every instant to-day in defeating Phil P. Tiffany, Newburgh, 3 up and 2 to play, at thirty-six holes in the final of the Mohawk Golf Club's annual tournament. At the end of the morning round they were all square with a medal each. The contest was square for the round was, it was more remarkable for the four birdies and the eagle which were reeled off by Tiffany and Travers and all the former by Tiffany.

The eleventh hole was especially remarkable. Both got long drives, Tiffany's second being just short of the green. Travers on his second took his finger and said up within five inches of the cup, although the distance is 43 yards.

In the afternoon the play was equally spirited for six holes. Tiffany should have won the sixth, but missed his putt here. Travers was on in 1 and the hole was won by Travers winning that hole after Tiffany had topped from the tee. Travers also won the eighth and ninth, which put him 2 up at the turn following a badly topped bramble stroke Tiffany barely missed his putt at the eighth and had luck against him at the ninth through his ball going into the pit beyond the green, while Travers's sphere stopped on the very edge.

Tiffany won the tenth and halved the eleventh, but beginning with the twelfth the outcome was no longer in doubt. Being in the rough there he needed 2 for the green while Travers was on in 1 and so won the hole in par allowance. Hooking cost Tiffany the thirteenth, although he was down in par, for Travers sank a birdie there. This made Travers 3 up. Tiffany rallied with birdie 3 at the fourteenth, but Travers came within eight inches of halving him there.

The last straw was heaped on when Travers scooped a birdie 2 at the fifteenth by driving within six feet of the cup from the tee, while Tiffany was in the cavernous pit below the terraced green and needed 4. They both tumbled the sixteenth and halved, leaving 6 against par 4. The summary:

First Set—Jerome D. Travers, Upper Montclair, beat Phil P. Tiffany, Newburgh, 3 up and 2 to play.
Second Set—Max R. Marston, Baltimore, beat James M. Rhet, Mohawk, 1 up.

Third Set—J. J. Lawyer, Albany County, beat A. F. Knight, Mohawk, 7 up and 6 to play.
Bird Set—P. McLaughlin, Scarsdale, beat L. R. Frontes, St. David's, Philadelphia, 2 up and 1 to play.

Fourth Set—Robert Abbott, Brookhaven, beat C. B. Vought, Hingham, 1 up and 1 to play.
Fifth Set—C. H. Turner, Mohawk, beat L. E. Sinclair, Washington, 2 up and 1 to play.

CHICAGO, Aug. 16.—Ray Fisher of the New Yorks held the White Sox to three hits this afternoon, but was beaten just the same. One of the reasons was the fact that James Scott was almost as effective, and the New Yorks didn't get a run. The score was 2 to 0. The fact that the Chasemen obtained only four hits and nothing resembling a run off Scott was only one of the reasons for the defeat of Fisher. Another reason was that the New Yorks bunched two of their errors and the Sox two of their hits in the seventh frame. If the visitors hadn't erred in the seventh the Sox would have counted. It doesn't follow that if the Sox hadn't bunched their two drives they wouldn't have counted, because they would. So the errors were the real cause of the defeat.

At that Fisher can't point to his pals and claim that they threw the game. This third game was the greatest pitcher's battle of the three. Every one who watched the game was convinced that the Sox would win. Chase then hit the twirler. He reached the ball against the grand stand and Berger came across. Lord also tried to score, but was nailed on Williams's peg to Sweeney. Chase went to third, however, and scored when Hodge drove a line single into right-center. Collins fled out. This was the second hit made off Fisher. Lord dumped a bunt in front of the plate and Sweeney pounced upon it. He not only fumbled that ball but he followed with a wild peg and the runner reached first, while Berger hiked on to third. Chase then hit the twirler. He reached the ball against the grand stand and Berger came across. Lord also tried to score, but was nailed on Williams's peg to Sweeney.
